 - a. Dog Park -
Brandt-Quirk dog park site bid was not accepted. Jenny Fox, who is on the Watertown Park and Rec committee, reported that the committee has no plans for a dog park outside expanding the Boomer Dog Park site, which is located on the old Watertown landfill.
The DNR does not allow posts or digging at the Boomer site because of the landfill gas leakage. As a result, there are limitations on what equipment can be installed, and the fencing will be much more expensive than regular dog park fencing.
